Application Instructions and Procedures

All application materials must be received by the application deadline to receive full consideration. For application deadline and entry terms, refer to the [priority deadlines](#). International applicants and those with international transcripts should consult the [International Requirements Page](#) for deadlines and other requirements, as they may differ.

{ Å] v } μ Œ • a baccalaureate degree from a regionally accredited institution or U.S. equivalent. Submit official or unofficial copies of transcripts, degree certificates, and ACT/SAT scores for every school attended in the last 60 semester/90 quarter credits as well as any post-baccalaureate credits. You may upload the unofficial transcript(s) for your institution(s) within the Academic History tab of the application. You may also upload the transcript(s) following the submission of your application via your Status Page. Upon offer of admission you will be required to submit official copies of provisional documents within your first quarter of enrollment.
