

Formatting an Argumentative Essay

STEP BY STEP WALK THROUGH FOR FORMATTING A THESIS DRIVEN OR ARGUMENTATIVE ESSAY

Introduction

• Grab the reader's attention

- Introduce the issue or topic being discussed.
- Present your claim or thesis

Body Paragraphs

• Each paragraph should have a topic sentence

• Each paragraph should have a clear purpose. Consider what place to play the foundation of your argument.

- "This" = "This information is used to..." included in a more developed introduction

• Gather together information that

INTERTEXTUALITY

- Think of possible connections
- Pull together
